The European Union numbers 27 Member States: 27 different
nations determined to shape their future closely together.
Over a period of enlargement of 40 years, they have, together,
built a zone of peace, stability, progress and solidarity. The
European Union is a model for overcoming conflict and
promoting reconciliation through close co-operation to achieve
common goals, while respecting national sovereignty and
territorial integrity. But the EU is not focused on itself: its
ambition is to share its achievements and its values with
countries and peoples beyond its borders. The European
Commission is the EU's executive body.
